

How to Create a Red Balloon Bookshop Wishlist

- Login to your account by clicking “My Account” in the upper right-hand corner. If you don’t yet have an account, click “My Account” and then “Create new account.”

The screenshot shows the Red Balloon Bookshop website. At the top right, there is a search bar and a navigation menu with links for "Events", "Shop", "Other Happenings", "For Schools", and "About Us". A "My Account" link is circled in red. Below the navigation, the "User account" section is visible. It contains three links: "Create new account" (circled in red), "Log in", and "Request new password". Below these links are two input fields for "Username *" and "Password *", and a "Log in" button.

To create a new account, enter an email address and username. You will get an email in the next minute or two with a one-time login link. Follow that link, hit the “Login” button, and create a password for your account. You’re all set!

- Once you’re logged into your account, search a book you’d like on your wishlist. Click the “Add to Wish List” button to the right of the book.

The screenshot shows the search results page for "Phoebe and Her Unicorn". The search bar contains "eBooks" and the search term "phoebe and her unicorn". The search results show the book "Phoebe and Her Unicorn (Phoebe and Her Unicorn Series Book 1) (Paperback)" by Dana Simpson. The price is \$9.99. The ISBN-13 is 9781449446208. The availability is "On Our Shelves Now. Please call our store for up-to-the-minute stock availability." The publisher is Andrews McMeel Publishing, published on September 2nd, 2014. There are two buttons: "Add to Cart" and "Add to Wish List" (circled in red).

- A “Wish List Selection Form” will pop-up. Use this to create and name a new wishlist, then click submit.

The screenshot shows a "Wish List Selection Form" pop-up. It has a close button (X) in the top right corner. The form contains a "Select a Wish list *" dropdown menu with the option "Create New Wish list" selected. Below this is a "New Wish list Name" input field and a "Submit" button.

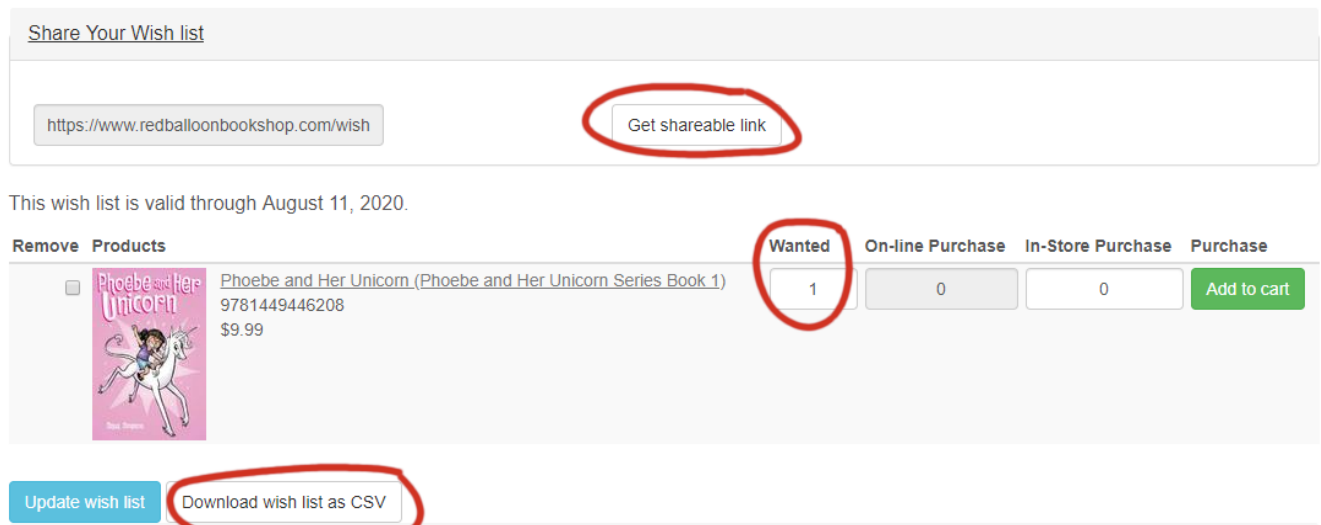

If you already have created other wishlists, you'll see them in this menu and can choose to add the book to an existing wishlist instead of creating a new one.

- You've added a book to your wishlist! Keep looking for new books to add or follow the link to check out your wishlist.

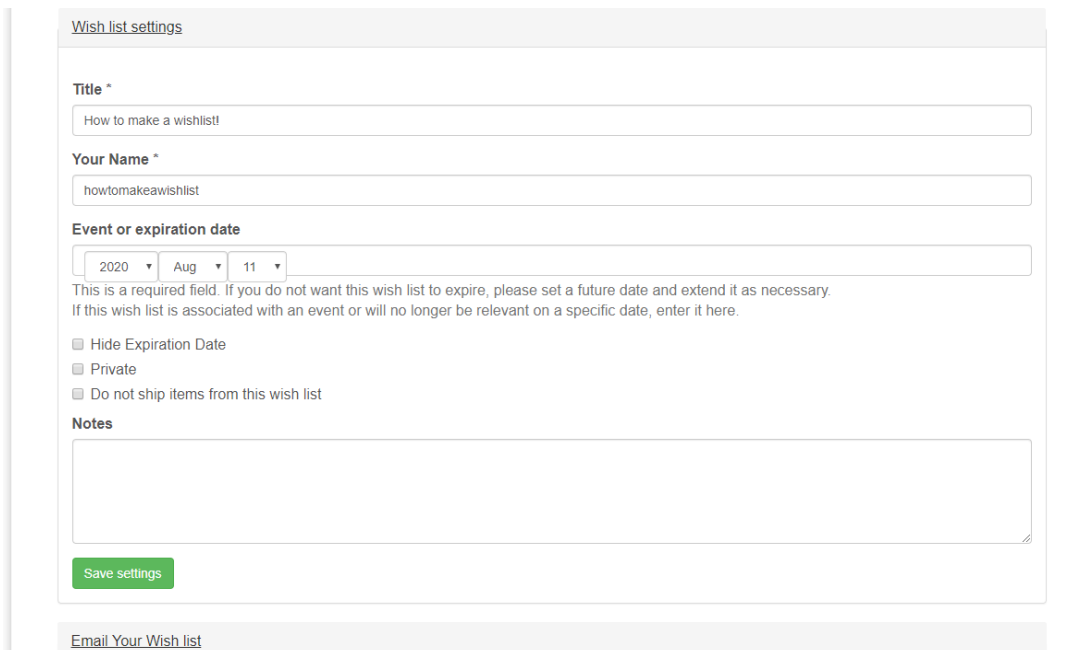

- On your wishlist page, you can: get a shareable link to your wishlist, change the quantity of each book that you would like, or download the wishlist as a CSV file (spreadsheet).

- You can also change your wishlist's settings—including title, expiration date, privacy, notes, etc—and email your wishlist to people. Using this form, you can only email the list to ten people at a time, so if you have a long list, emailing people the shareable link will work better. Remember to email the wishlist to info@redballoonbookshop.com if you would like us to have a copy at the counter!

- Last but not least, you can use the Bulk Upload feature to add multiple books to your wishlist at once. Just copy and paste a list of ISBNs and click save to add books to your wishlist.
