

Shopping at Red Balloon for Schools 2022

We are dedicated to helping you find the best books for you and your students. We offer a 20% discount to teachers and schools (some exceptions may apply), and orders are tax exempt when the payment comes from the school.

- Shop online for the fastest turnaround time. You'll be able to see your cost right away, and when we receive the order, we'll check to make sure all the titles you want are available.
- We're happy to take orders by email as well. If you plan to order more than 10 titles, please ask us to send you our order request form. We're also happy to take small orders over the phone.
- We can provide quotes for orders. Again, please ask us to send you our order request form.
- We can research titles for you. If you give us parameters for what you need, we can find books appropriate to your needs.
 - Depending on the amount of time it will take us to research your topic, a consultant fee may be applied.
 - It may take up to a week for us to consider your request and to provide an estimate for how much time it will take us, and if there is an additional fee.
- When your order is complete, you can pick the books up at the store, or have them shipped. Orders will ship USPS media mail (for small orders) or UPS (for large orders). **Shipping is free on orders over \$1,000.**
- We are happy to deliver your order if you are within a **5** mile radius of the store. Our delivery fee is \$15 and free for orders over \$500.
- **A restocking fee of up to 10% may be charged on eligible returns that exceed \$100.**
